Picnic with Patchwork!

Patchwork Players

Each summer, the Patchwork Players tour the North Country inspiring young audiences, and perform every Friday morning on our outdoor stage. Shows are vibrant, exciting, n educational and often a child's first exposure to the arts.

The season welcomes over 1,500 children and their families.

This Season:

In this abridged version of *The Wizard of Oz*, Dorothy and her friends follow the yellow brick road, face the wicked witch, and ultimately achieve their hearts' desires. This story has captured hearts for generations. There's no place like Oz: join us!

This story follows 8-year-old Lily Polkadot, who just moved to the "Squares Only" small town of Rockaway. As the first polkadot in an all-Square school, Lily faces an almost impossible task of gaining acceptance from her peers. Inspired by the events of *The Little Rock 9*, *Polkadots* serves as a colorful history lesson for children, reminding them that our individual differences make us awesome, not outcasts.

This Season:

One-eyed dog Fayo longs to find his forever home. An encouraging pup known for lifting the spirits of his fellow kennel dwellers, Fayo always puts on a brave face, even when secretly dealing with fear and loneliness. When Fayo finally finds a family, all is well...until he meets his roommate. Join us for this sweet canine comedy about second chances.

Join us as we honor the sidekicks who remind us all that friendship, courage, and a bit of mischief can change the world. Through iconic songs and heartwarming moments, we'll celebrate characters who prove that being second in command is a role fit for the spotlight. Don't miss this one-of-a-kind tribute to Disney's beloved companions who make every story truly magical.
