Patchwork Players

Hello!

Since 1966, the Weathervane Theatre has brought live, professional theatre to New Hampshire's North Country—enriching, educating, and entertaining both residents and visitors. Our affordable tickets, accessible venue, touring productions, and strong education programs help us reach our diverse and often underserved community.

In addition to our MainStage productions, the Weathervane Theatre operates an intern program known as the **Patchwork Players**, which reaches more than **2,600** children and their families each season. The program tours throughout the North Country, including stops in Whitefield, Groveton, Lisbon, Bethlehem, and Colebrook.

Our business and corporate sponsors make this work possible. In return, sponsors enjoy increased visibility, meaningful recognition for employees and clients, and the goodwill that comes from supporting a valued cultural resource. We tailor sponsorship benefits to fit your company's goals.

Thank you for taking the time to review our 2026 Patchwork Players season packet. By sponsoring the Patchwork Players at the Weathervane Theatre, you are investing in both the next generation of performing artists and the cultural vitality of communities across northern New Hampshire.

2026 Season

All performances at 11AM

Performing Fridays at the Weathervane and touring the North Country throughout the week!

Celebrate kindness, courage, and compassion in this movement-driven theatrical adventure! Jon J. Muth's beloved retelling of Leo Tolstoy's timeless fable, *The Three Questions*, comes to life in a visually rich and captivating production. Physical storytelling transforms the stage into a world of discovery as the story unfolds with heart and imagination, gently revealing the universal truths about what matters most.

Beauty and the Beast

Join us for this tale as old as time in a fresh and lively adaptation brimming with humor, heart, and theatrical magic. Step into an enchanted castle where a brave young woman meets a fearsome Beast—and discovers the heart beneath the fur. Romance, comedy, and colorful characters swirl together in a fast-paced, family-friendly adventure to reveal a powerful message: true beauty is found within.

Once upon a time, when pigs spoke in rhyme, a duck-billed stork delivered Snow White, and chaos ensued. With a bossy magic mirror, a reluctant prince, Girl Scout adventures, and go-go boots, this fairy-tale spoof is packed with songs, jokes for all ages, and audience fun. A goofy, heart-filled ride proving that happily ever after rarely goes according to plan.

BROADWAY BOUND 2

The next chapter of *Broadway Bound* is here! These performers are all grown up and can't play the kid roles they once loved, but now they dream of the big roles they hope to play one day. Full of fun Broadway songs, dancing, and acting, this show will make you want to sing, dance, and cheer along! Whether you love performing or just love to dream, this show is all about imagining big and believing anything is possible.
