Hello!

Since 1966, the WeatherVane Theatre has brought live, professional theatre to New Hampshire's North Country—enriching, educating, and entertaining both residents and visitors. Our affordable tickets, accessible venue, touring productions, and strong education programs help us reach our diverse and often underserved community.

Our business and corporate sponsors make this work possible. In return, sponsors enjoy increased visibility, meaningful recognition for employees and clients, and the goodwill that comes from supporting a valued cultural resource. We tailor sponsorship benefits to fit your company's goals.

We invite you to explore our upcoming 2026 season and choose a show that feels like the right fit. If you're unsure, we'd be happy to talk through options and help you find the perfect match.

Inside, you'll find our full 2026 WeatherVane Theatre Season along with sponsorship levels and benefits.

“The Weathervane Theatre is a gem in the North Country of New Hampshire and well worth discovering. I was impressed with the diversity and talent in the ensemble casting and the multi-tasking of the actors.”

NEW! THE SITS PROGRAM

\$3,500

The SITS program is an innovative addition to BridgeCo's offerings, aiming to bring the timeless works of Shakespeare into schools and communities. By participating in SITS, BridgeCo members will have the opportunity to develop educational outreach skills, enhance their understanding of Shakespearean texts, and inspire young audiences through interactive performances. This production will tour into schools and have four MainStage performances.

This season's production will be directed by the Associate Director of the Broadway Revival of RAGTIME, Nathaniel P. Claridad.

NATHANIEL P. CLARIDAD
SITS Guest Director

This year, SITS is excited to bring *Much Ado About Nothing* to life in a vibrant and engaging production. Blending humor, wit, and timeless storytelling, this beloved comedy will be performed in public schools throughout the North Country, as well as on the Weathervane's MainStage. Through this dynamic tour, *Much Ado About Nothing* will reach and inspire more than 900 students, offering them the opportunity to experience live theatre in an accessible and memorable way.

Claudio and Hero love each other. Benedick and Beatrice loathe each other—or do they? As the young lovers conspire to play matchmaker for Shakespeare's finest verbal sparring partners, life gets complicated as they all become mixed up in a series of mishaps, mistakes, and misunderstandings. Bursting with wordplay, music, and mischief, this timeless battle of wits proves that love is anything but simple in this timeless romantic comedy.

Play by William Shakespeare

Appropriate for most audiences. Recommended for ages 8+.

Run Time: 85 minutes with NO intermission.
